SCHOLARSHIP APPLICATION

The CDL Maple Sugaring Equipment Golf Tournament's mission is to benefit youths who have direct connections to the maple sugaring atmosphere and an agricultural interest.

CDL USA will provide a \$1,500 scholarship to two high school students who are looking to pursue a career in the Agricultural field.

If you are interested in being considered, please send this form and supporting materials, no later than March 31st, 2020. The scholarships will be announced at our Open House, Saturday April 25th, 2020.

Applicant's Name _____

Applicant's Address _____

Applicant's High School _____

1. What college(s) or trade school are you considering going to?

2. Please explain in a one page essay the following:
 - a. Why are you considering a career in the Maple Industry?
 - b. How has the Maple Industry affected your life?
 - c. What are your future plans?

3. Please list any activities, sports and/or leadership roles that you have been involved in at your school and/or community. Please include the years of participation during high school for each.

4. Please enclose an official copy of your school transcript. If available, please include class range and Grade Point Average.
5. Please provide one letter of recommendation. It can be from a school official (Administrator, Guidance, Teacher, Advisor or Coach) or personal recommendation from someone who knows you in the community.

I attest that the information on this form is accurate.
