SENDING FILES AND PRINTING PROCEDURE

- Please send required files by email to: samara.jacobs@cdlusa.net

- CDL will send you a first electronic version of the different visuals. If a modification is necessary, it must be done at this stage. Following your approval, CDL will send the files to the printer.

- After printer's prepress adjustment, CDL will send you a final proof in PDF format. You must approve, sign the pdf and return it to CDL.

- It is only from the moment that signed proofs are received at CDL that production times will start*.
