

7 December 2023

To Whom It May Concern:

Dicalite Minerals LLC manufactures Dicalite® diatomaceous earth-based filter aids and functional additives. Dicalite® products are compliant with the current Food Chemicals Codex monograph for diatomaceous earth. Compliance is maintained by following the Good Manufacturing Practices guidelines listed in the Food Chemicals Codex compendium and maintained through process controls, mine planning, and annual testing by a certified independent laboratory.

We hope the information provided is useful. If you have any questions or require additional assistance, please contact us.

Sincerely,

A handwritten signature in blue ink, appearing to read "Edward P. ...". The signature is fluid and cursive, with a long horizontal stroke at the end.
