

## FDA CONFIRMATION

To Whom It May Concern:

The **FDA Food Safety Modernization Act (FSMA)**, enacted on January 4, 2011, amended section 415 of the Federal Food, Drug, and Cosmetic Act (FD&C Act), in relevant part, to require that facilities engaged in manufacturing, processing, packing, or holding food for consumption in the United States submit additional registration information to FDA, including an assurance that FDA will be permitted to inspect the facility at the times and in the manner permitted by the FD&C Act.

Section 415 of the FD&C Act, as amended by FSMA, also requires food facilities required to register with FDA to renew such registrations every other year, during the period beginning on October 1 and ending on December 31 of each even-numbered year and provides FDA with authority to suspend the registration of a food facility in certain circumstances.

We hereby certify that EP Minerals, LLC:

- 1) Located at: 640 Clark Station Rd, Sparks, NV, 89434 RE-REGISTERED with the U.S. FDA on December 28, 2022;
- 2) Located at: I-80 East, Exit 65, Fernley, NV 89408 RE-REGISTERED with the U.S. FDA on December 28, 2022;

as required under FSMA, and in compliance with the Public Health Security and Bioterrorism Preparedness and Response Act of 2002.

Sincerely,

Bonnie L. Mason, Quality Systems Manager
